Photograph and Signature Certificate

This form must be certified and authenticated in accordance with the law of the jurisdiction where it has been completed. It is to be completed in English by a Notary Public or some other person authorized to certify documents as a “true copy of the original”, who must have seen the original passport as evidence of identification. This individual must certify the photograph to be a true likeness and the signature to be the true signature of the person whose details appear on this form. In the case of a Notary, certification must be authenticated by an Apostille according to the Hague Convention of 5 October 1961 Abolishing the Requirement of Legalization for Foreign Public Documents.

One form for each person (including children) is required.

The certification should be made by signature and stamp or seal in Section B.

Please attach one photograph of yourself taken within the past 6 months in the box on the right. The photograph should be approximately 35mm x 45mm in size and must be attached to this form in a way that it **cannot be removed without tearing** the photograph or the form.

Please ensure that the photograph complies with the requirements as specified on the AB1 application form. (see section G, number 5 of main application form).
